Subject: Request for Purchase Order Coverage

Dear Joe:

FOIAb3b1

At the request of [REDACTED] while he was here on 9 December, we made up and shipped 15 each map clip assemblies to [REDACTED]. Bob was to ship them to a detachment which requested them. STATOTHR

This is a relatively small item; however, to keep the records straight, we would appreciate coverage on them at your convenience.

Presumably, this will be covered through Firewel. The price to Firewel would be 57 cents each.
